

GERMS... ICK!

By Ali Pfautz

Germs... ick!
They make you sick
But now I know
Just what to do
So my germs don't
Jump onto you

I wash my hands
SCRUB! SCRUB!

I cough in my elbow
ECK! ECK!

I sneeze in my muscle
ACHOO! ACHOO!

And I wipe my nose with a tissue
SWOOSH! SWOOSH!
